How weird! Thanks for trying so hard. I bet it will show up on that phone in a bit.

We're on phone w/Andy now. I first called your desk, then home, then a cell which directed me to another cell #. It's that last cell # that I left the vm on. -- Terri

Hi Terri,
My colleague, Andy Maykuth, who has been covering a lot about Dimock, would like to do the call. I've given him your phone number. Meanwhile.... I checked my work, my cell and my home, and I didn't have a voicemail from you. So just to make sure you have all my numbers, here they are:

Work: 215-854-5147

Cell: Ex. 6 - Personal Privacy

Home: Ex. 6 - Personal Privacy

Thanks,
Sandy

Hi Sandy,

I left you a vm asking if you'd be available at 3:15 this afternoon to do a call with our Regional Administrator about EPA's next steps in Dimock, Pa. Shawn would be giving you background that you can attribute to a senior EPA official. Let me know if you're interested. -- Terri
